PROFILE

Enthusiastic educator with 9+ years of experience in overseeing activities and character development for youth programs and special needs programs seeking to obtain a role within a district as an Early Educator.

TEACHING EXPERIENCE

Student Aide

Grace B. Luhrs Elementary School 2020-2022

- Facilitated multiple "Spirit Days" for the school by creating posters, activities, and supports for a specific theme chosen by students.
- Created a Recess Program to encourage independent cooperative play during unstructured school time.
- Spearheaded a "Buddy Program" alongside a colleague to assist students during lunch time with social emotional reinforcement activities.
- Created culturally competent bulletin board displays throughout the school.
- Created a collaboration between Shippensburg University and the elementary school through a mural painted in the Teacher Education hallway.

Student Teaching Placements

Various School Districts 2021-2023

- 2021: Shippensburg School District, Grace B. Luhrs Elementary School, Grade 2
- 2022: Shippensburg School District, Nancy B. Grayson Elementary School, Pre-K
- 2022: Franklin County School District, Franklin Learning Center, Multiple-Disabilities/Autism
- 2022: Carlisle Area School District, Carlisle High School, Learning Support
- 2022: Carlisle Area School District, LeTort Elementary School, 3rd Grade
- 2023: Big Spring Area School District, Newville Elementary School, Kindergarten

These placements consisted of integrating myself into the classroom as an aide to the teacher. I would perform lesson plans and attend placements daily, as well as weekly to assist in students' learning. The co-operating teacher in this position serves as a mentor for pre-service teachers at Shippensburg University. They give feedback to the school on how the student teacher is doing.

Summer Camp Head Counselor

Sayre Area School District 2014-2019

- Instructed twenty plus students as a Head Teacher/Counselor inside classrooms of my high school.
- Created daily lesson plans that were supportive, stimulative, and encouraging.
- Resolved emergency conflict while continuously supervising the rest of the children.
- Submitted Lesson Plans to advisors and gave feedback on how the plans went.
- Supported children during traumatic home life situations - giving them a safe place during the day.
